Post meeting Note.

MHFW has asked a very pertinent question – we all have various photos taken over the years showing the Entry members involved in all aspects – what should we do about it. Do we collate on CD or do we add a second web site which has all the photos of the entry – What has happened to all the photos which John Dillon has rotated in the current website. We need to appoint an archivist and deputy so that the history of the Entry can be documented and passed on to the RAFHAAA Museum. Can you all think about this subject and be prepared to discuss at the next meeting – Malcolm sent CD of various photos old and new by post and this arrived with excellent timing on Monday morning ! So I will post your Xmas cards, Malcolm !
