CJW to design & produce an Entry Xmas card to send to friends of the entry.

**5 RAFHAAA Annual General Meeting:**

LG gave a resume of the HAAA AGM

**6 Entry Lapel Badge**

Proposal from KB to produce an Entry Lapel badge for distribution at next reunion. KB to get quote, if quote is less than £100 then proceed after consultation with committee.

*CJW to send KN Entry badge art work.*

**7 Website:**

Now back up after being corrupted by external hacking through the visit counter. Counter removed.

MHFW raised concerns over data protection on website – long discussion on how web site / data is controlled. We believe that no data which can be used by others (other than by permission of the member concerned) is on the site. CJW will (and does) exercise editorial control.

**8 Entry Newsletter**

CJW wishes to relinquish the production of the Newsletter as both the website and newsletter is taking up too much of his time. It was agreed that CJW should continue with the website. BGL volunteered to take over the Newsletter on temporary basis to see if he can operate it successfully – MFHW is prepared to be backstop if BGL has problems.

**9 AOB**

Only 4 members (other than the Committee) took up the offer of a copy of the Reunion CD. Proposal by MW to limit wreaths/or donations to Association Members only, otherwise the Fund

could be financially stretched. The committee will attempt to attend, where possible, any Entry members funeral. Carried by a majority decision.

**10 Date of Next Meeting:**

13 June 2009 at the National Arboretum at Alrewas, Staffordshire at 10-30 am in the Coffee shop.
